Kneeling before Your Divine Majesty,

Jesus Christ,

hidden in the Blessed Sacrament,

we wish today to consecrate

to Your Mother, Immaculate Mary,

our earnest endeavor

to unite

with You in sacrificial love

for the salvation

of our sisters and brothers.

Mary Immaculate,

Mother of Christ and Mother of the Church!

We, Your children,

regretfully confess

the inability of our hearts

to receive

Your Son
in the mystery
of the Most Holy Eucharist
in such a way
as He Himself desires
to be received.

At the same time, we confess
that You,
O Immaculate Virgin,
are a model for us
of receiving the Son of God
coming in the miracle
of Holy Communion.

Therefore, today,
we wish to entrust
to Your
Immaculate Heart
this impotence of our hearts
and the not-easy way
to overcome it.

We believe that as we today
willingly respond with our hearts

to Your call from Fatima

to receive

Holy Communion

of reparation

on the First Saturdays,

we will merit Your gracious
intercession with Your Son

to give us the power

of our hearts' love for Him

whom we receive

in the Blessed Sacrament.

We ask for your help,

O Immaculate Mary,

standing at the feet of the Son

on Golgotha:

be to us, O Mother, the model

of Eucharistic union

with His atoning Sacrifice!

Jesus Christ,
Almighty God,
and our true Brother!

We believe,
together with the whole Church,
that our task is
to unite ourselves as closely as possible,
like the Immaculate One,
to the Sacrifice

You offered of Yourself to the Father
out of love for us.

Together with the Immaculate Mary
and modeling ourselves on Her,
from this day forward,
we earnestly desire
to focus our thoughts and affections
as fully as possible

on You
when You come to us in Holy Communion,
loving and desiring love.

We believe, O Beloved Savior and Bridegroom,
that the fullest consolation
of the Immaculate Heart of Mary,
Your and our Mother,
should be the love which our hearts attain,
in imitation
of Her Immaculate Heart,
by loving You,
truly present
in the Most Holy Eucharist.
Amen.
